

Belmont Cultural Council

March 4, 2004

In Attendance: Viva Fisher, Carlha Vickers, Janet Macy, Patricia Mihelich, Oz Barron, Rebecca Richards, Nan Rogers, Joan Loria, Dietlinde Hamburger

Absent: Trey Klein, Jennifer Smith

The meeting was called to order at 7:40. No specific agenda was scheduled. Minutes from the February 4th meeting were read and approved.

Carlha Vickers and Patricia Mihelich planned to attend the LCC meeting in Worcester on the 6th.

Nan Rogers reported that Trey's conversation with Joel Mooney, chair of Belmont's Permanent Building Committee, revealed that the contractors were way behind schedule and the Gallery opening, set for November '04, would have to be pushed to February 2005. The call for art submissions, which was to happen shortly, has been postponed. A list of possible names for the gallery was presented and discussed. The final selection would be made by the PDA committee members.

Curatorial committee members of the PDA spoke highly of town residents who will lend their professional expertise to making the gallery a success.

The nomenclature for categorizing artists for the data base was discussed.

The meeting was adjourned at 8:45.
